

## AUSTRALIAN HIGH COMMISSION PRETORIA

# MEDIA ALERT

Thursday 27 May 2010

### **Australian Socceroos provide clinic for local kids**

Local and international media are invited to attend an event at 1pm until around 3pm on Friday 28 May at St. Stithians School.

In collaboration with Monash South Africa, the Australian Socceroos will provide a skills clinic to 30 kids from Masakhane school in Roodeport. The children take part in a regular Saturday school extra-curricular educational (e.g. computer training and additional tutoring) and sporting program provided by Monash South Africa.

Australia is committed to, and supportive of the development of football in South Africa and providing access for the children of South Africa to the FIFA World Cup 2010.

In collaboration with Monash South Africa, the Lapdesk Company and Football Federation Australia, the Australian High Commission has helped provide around 10,000 kids from township areas around Roodepoort the once-in-a-lifetime opportunity to see a world-class football match on Tuesday 1 June and Saturday 5 June for the Australian Socceroos friendlies against Denmark and the United States of America.
